

## NOMINATE A FRIEND OR YOURSELF!

The **Leadership Robins Region Program** is an exciting Leadership Development Opportunity for emerging leaders in the **Robins Region**. The program begins in January with a kick off reception, an overnight retreat in February and continues to meet monthly through December. In addition to the monthly session, which includes a leadership skill component and a community enrichment component, class members participate in a class project of their own design.

Nominations for the 2015 Class are now being accepted. Please nominate worthy emerging leaders today, and we will contact them with information about the Leadership Robins Region program.
